ECCO vn picciol tributo di mie fatiche à Maria indrizzato
Sò che potrebbe fermarsi in V.S. Illustriss., che è nel nome,
nell'opre è tutto di Maria, anzi nel cognome istesso, essendo
maggior miracolo, che io scorgo in MARAVIGLIA il ritro-
uarui anche in esso MARIA; onde ne sono felicitate le mi
brame di dedicarmi in essa anche à V.S. Illustriss., mentre
trouandolo MARIA in ogni ponto vengo à conoscerlo vna
parte della medesima; mà perche le mie opere per se stesse son
sì pouere di meriti, che riescono indegne d'vn tanto nome, ven-
go ad arricchirle consecrandole à V.S. Illustriss., quale è l'errario d'ogni virtù, acciò,
e per la Vergine, e per se stesso le faccia degne. In faccia al sole non si specchiano, che
l'Aquile, & à Maria non giongono, che messaggieri celesti. I voli di sua alta penna
sono d'Aquila, le di lei opre sono celesti, e se chi hà più del marauiglioso, più anco s'
accosta al Cielo, lei, che è tutto MARAVIGLIA, non può essere, che tutto celeste.
Adunque ad altri non tocca l'esser Ambasciatore alla gran Vergine, che ad vn GIO-
SEPPE MARIA tutto del Cielo. E' ossitio di V.S. Illustriss. fauorito di Maria il
porgergli il tributo d'vn affettuosa seruitù, qual anche per esser armonioso ad altri, più
degnamente non conuiene, che à lei armonia d'ogni virtù. Non sdegni, che io ardi-
schi porgere l'oscuro de miei inchiostri à chi è tutto splendori, perche il sole cagiona l'
ombre; nel nero delle mie linee se non spiccarà raggio di virtù, risaltarà il candore di
mia fede appresso Maria, & in quel fumo l'ardore d'vna feruentissima seruitù appresso
V.S. Illustriss., alli di cui inaccessibili meriti con profondissima riuerenza inchinan-
domi solo viuo felice in viuere.

BEATISSIMA VERGINE.

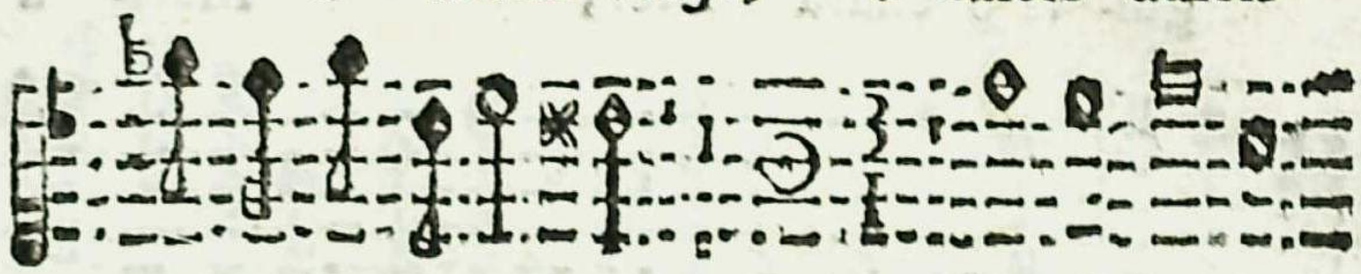

O' sò ò Vergine Madre, che il dedicare le mie note à voi spec
chio senza macchia è l'incontrare la nota d'vna diuota temer
tà; mà sò anche, che vi sono così schiaua, che per altri, che
per voi oprar non posso. La mia penna hà legato il suo volo,
le mie fughe non ponno fuggire dal vostro nome, che, essend
vn mare, per tutto si stende. Acciòche li miei sospiri non ries
chino ingrati, al vostro orecchio ve li esalo armonioſi. Ag
gradite adunque quell'opra, che se non può esser vostra per me
rito: non può non esserla per debito. Sono tutte leggierezze le mie fatiche, mentre
consistono in Aria, e quindi si può scorgere quanto sij fermo il mio cuore in seruirui, che
anche lauorando in Aria è sempre fisso in voi, assicurandoui, che all'hora queste Ariet-
te mi saranno di refrigerio, quando spiraranno grate alla vostra gratia. Adunque, si
come ne vò santamente ambitioſa, che non sij più in mia libertà il non seruirui, men-
tre io con tutte le mie pouere fatiche son vostra, così anche ne hò vn glorioso rincresci-
mento, nel tributaruele, che mi trouo così pouera, che nulla posso donarui, e prodiga
auara vengo ad offerirui lo scuro di mie note, per mendicarli dall'ombra luminosa del
vostro nome li splendori. Confusa adunque nella scarsezza de meriti non ardisco com-
parirui di slancio in faccia, non essendo questo salto humano; e perciò m'appiglio ad
vn mezzano sourahumano fatto Diuino sin ne natali mentre sortì come hereditarij i
nomi delli Padre, e Madre dell'Humanato Dio. Dalle mani adunq; di Gioseppe Ma-
ria nostro Pastore ò Vergine passaranno à voi degnamente i miei indegni passaggi. Que-
sto mi pare sij il vostro più chiaro per i meriti proprij, il più delicioso per i dolcissimi no-
mi, mentre vi memora le vostre delicie il vostro caro Sposo. Degno di maggiori honori
non per altro lo stimo hauere degnamente il soglio in Santa Maria Maggiore, se non
perche si conosca il maggiore di vostra corte. Eccoui adunque, quanto men degno il
tributo, tanto più degno chi lo presenta. Aggradite questo in quello, che per la virtù,
e per il nome è vostro figlio, e accettate per vostra sempre.

Humilissima Serua.
Isabella Leonarde.
